**Special Condition # 16:** You shall abstain from the use of illegal controlled substances, and shall submit to urinalysis testing, as directed by the supervising officer, but no more than six tests per month, in order to confirm continued abstinence from these substances.

**Supporting Evidence:** On December 12, 2014, Mr. Ayala's conditions of supervision were reviewed with him. He signed his conditions, acknowledging an understanding of his conditions, to include special condition number 16, as noted above.

Mr. Ayala violated his conditions of supervised release by using methamphetamine on November 12, 2017.

On November 13, 2017, Mr. Ayala provided a random urinalysis test at Pioneer Human Services (PHS), as the color of the day was brown 1, Mr. Ayala's assigned color for urinalysis testing. Mr. Ayala provided a urine sample which tested positive for methamphetamine. The urine sample was sent to Alere Toxicology for further testing and the results are still pending. On November 14, 2017, the undersigned officer called Mr. Ayala on the telephone and confronted him on his positive urine sample. He admitted to using methamphetamine on November 12, 2017.
